

SPECIAL RECOGNITION AWARD

2013 – Shane Mahoney

Position: President and CEO, Conservation Visions

Accomplishments: Well-known and outspoken long-time member of The Wildlife Society Mr. Shane Mahoney has had a strong impact on wildlife management and conservation across North America. He is founder of Conservation Visions, an international initiative that helps stakeholders conduct research, influence policy, and communicate wildlife and conservation issues to the public. He promotes sustainable use and biodiversity conservation through the application of current scientific knowledge, and is a supporter of the North American Model of Wildlife Conservation. He has extensive experience as a scientist and wildlife manager, and also as a writer and wildlife communicator.
