Summary of SCTWS Virtual Certification Workshop May 13, 2021

Presented by Don Barnes
MSc, CWB®, TWS Fellow
Chair of CSTWS Certification Committee,
cstwscertificationcommittee@gmail.com

This one-hour virtual Certification Workshop began with an overview of TWS Certification from a Canadian perspective followed by a panel discussion and question and answer session. The panelists included:

- Adam Sprott, University of Regina MSc Candidate working on his AWB®, CSTWS Incoming President
- Sara Patterson AWB CSTWS®, Lakehead University MSc Candidate
- Al Arsenault CWB®, representative of the TWS Certification Review Board, Certification Committee
- Dan Chranowski CWB®, Member-at-Large, Certification Committee

Despite some technical glitches, I feel that attendees were provided with the opportunity to learn more about TWS Certification.
